

## 2011 INDIVIDUAL OFFICER PROGRAM – FREQUENTLY ASKED QUESTIONS

Q: I'm the head of Department. Can I sign my own letterhead?

**A: Yes.**

Q: Can I have my firearm transferred to a Federal Firearms Licensed (FFL) Dealer?

**A: Our factory direct purchase program is for delivery to your agency only. If you wish to purchase a firearm locally, contact your nearest SIG SAUER Public Safety Center for Law Enforcement products and pricing. Additional fees apply for shipping and handling/sales tax/transfer.**

Q: Why can't I fax my order to SIG SAUER?

**A: Fax machines obscure the image on the Law Enforcement ID card.**

Q: If I use my credit card, when am I billed for the merchandise?

**A: Your credit card will be billed when your order departs from SIG SAUER.**

Q: Why can't I use a debit card?

**A: Debit purchases immediately reserve funds and show a temporary charge on your statement. This can lead a customer to believe their order has shipped before it is truly in transit.**

Q: Why can't I use a personal check?

**A: Personal checks must be held for clearance and delay shipments to customers.**

Q: Why does it take 8 weeks or more for delivery?

**A: SIG SAUER Law Enforcement products are built to order. Depending upon the backlog and production schedule, some items may take the full 8 weeks but many take less. Items with longer lead times are in high demand and simply exceed our normal production capacity.**

Q: I would like to have my firearm customized. Is this possible?

**A: We are unable to accept custom orders on this program. Customization would have to occur through the SIG SAUER Custom Shop after the sale and receipt of your firearm.**

Q: I only want to order accessories. Do I still need a letterhead to ship them to my agency?

**A: No, a letterhead authorization is required only for firearms. We do require a photocopy of your Law Enforcement ID card to be included with your order for the discounted pricing.**

Q: Do I have to pay Sales Tax or Shipping & Handling in addition to the price listed?

**A: Sales tax does not apply to purchases made in the State of New Hampshire. You may be subject to a local use tax depending upon your state of residence. We do not charge Shipping & Handling on the Law Enforcement Program for firearms. Accessory order less than \$100.00 are subject to a \$7.95 S&H charge.**

Q: I'm retired from Law Enforcement. Can I still ship the firearm to my former agency with an endorsed letterhead?

**A: All retired Law Enforcement Officers must purchase discounted firearms through a SIG SAUER Public Safety Sales Center.**

Q: My Chief won't sign the Agency Authorization Letterhead because the text refers to the firearm being for official use only and not for personal use. I thought the firearm was going to be my personal property?

**A: You are correct. The text refers to acceptance by your Chief that this firearm is for on-duty or off-duty use and is not being purchased for resale to a third party.**

Q: My Agency does not permit me to photocopy my credentials (or) doesn't issue ID Cards. How do I complete my order?

**A: Please submit an Agency letterhead endorsed by your supervisor verifying your employment with a photocopy of your driver's license to verify your identification.**

Q: I am a resident of CA, HI, MA, MD, NJ or NY. Why am I excluded from the Individual Officer Purchase Program?

**A: Your state has special firearms registry requirements that are not covered by an Agency letterhead transfer. Please contact a SIG SAUER Public Safety Sales Center to make your purchase.**

Q: The firearm that I wish to purchase is not on the attached price list. Can I still order it factory direct?

**A: Only the firearms on the Individual Officer Purchase Program Price List are eligible for factory direct purchase. Please contact a SIG SAUER Public Safety Sales Center for firearms purchases not included in this program.**
